VENICE ARCHITECTURE SPONSORSHIP**

EUROPEAN CULTURAL CENTRE

We are a continuously growing group of mainly young people who like to make a positive difference, because we care.

We created a dynamic organization which continues to establish cultural centres, satellites devoted to cultural exchanges. We organize worldwide exhibitions, symposia and all kinds of cultural projects with not only Europeans but people from all around the world.

We believe that progress is best made by raising a deeper awareness about serious topics. We bring people from very different cultures together in the hope that we will all learn from each other.

The ECC-Satellites are operated by the association ECC-Worldwide and work mainly with the curatorial contributions of several European structures: EU networks, universities, foundations, curators, private initiatives and scientific as well as cultural institutions.
