

**Venice Architecture
Short Film Festival
LIVING TOGETHER
AGAIN**

Venice Architecture Short Film Festival is an annual event aimed at recognizing issues relevant to architecture, the use of public space and sense of community plus all that can renew the perception of cities as places for cultural and social development.

To know more on the program we invite you to see the website www.veniceshortfilmfestival.com

**1 to 5 September
GIARDINI DELLA
MARINARESSA**

**ONA
Short Film Festival**

Ona Short Film Festival is a non profit event which aims to share the love for nature, outdoor sports and environment awareness. We believe it is a message that we need to spread to make an impact on today's society.

Three main categories, will be featured in the program: mountain culture, animation & experimental.
